

Architectural cross-section drawing of a building, likely a sports hall or arena, showing internal structure, seating, and foundation details. The drawing includes various elevation markers and structural annotations.

Key features and annotations:

- Roof Structure:** The roof is shown with a curved profile. A note at the top right indicates "střecha = +11,725".
- Seating Area:** The main interior space is filled with rows of seating, indicated by horizontal lines. A vertical dimension of 13175 is shown for the seating area.
- Staircases:** Multiple staircases are shown, including a large one on the left and another on the right. Elevation markers for stairs include +7,585, +6,090, +6,130, +6,610, +4,580, +2,935, +3,635, +1,947, and ±0,000.
- Foundation and Ground Level:** The drawing shows the building's foundation and ground level. Key elevations include +9,083, +4,700, +0,000, -1,985, -3,670, and -5,000. A note at the bottom center reads "BUDOVACÍ ÚROVEŇ ZALOŽENÍ".
- Structural Details:** Various structural elements are labeled, including "STÁVAJÍCÍ ÚROVEŇ LEDOVÉ PLOCHY" (existing ice rink level) and "BOURANÉ VRSTVY A KSCĚ SOUČASNÁ LEDOVÁ PLOCHA PŮDÍ PERMAFROST" (excavated layers and slabs, current ice rink floor, permafrost).
- Other Annotations:** A note "SVAHOVÁNÍ 1:1 (45°)" is present near the foundation. A note "TRYSKOVÁ KRYTOST" is also visible.
